HOPE FOR NATIVE AMERICA CHILDREN'S GIVING PROJECT

Hosted by
On Eagles' Wings® Team Member
LANI from the Hopi and Seneca Tribes

Moms and Dads –

Your kids are participating in a special children's giving project to help provide FOOD and BIBLES for Native America!

In the process, kids are learning more about what it is like to be a Native American today - and how they can help bring Hope to Native America!

Any money you send with your child will go directly towards this project, supporting the purchase of food and Bibles for the ministry of On Eagles' Wings®, the Native outreach of Ron Hutchcraft Ministries.
